

PNY PAL SUMMER CAMP INFORMATION

This specialized camp is designed for all the young children (ages 5-7) who love horses and want to learn about them.

Our Goal: We pride ourselves in having a staff and management who not only love horses, but enjoy teaching children the skills, fun and sometimes hard work of having a horse. Our goal is for your child to have a safe and wonderful experience with horses.

Curriculum: The curriculum is designed to meet the needs of the various ages of campers. They will be learning riding skills, as well as having time to spend with the horses, or time just to give an old fashion hug to a pony. There will also be time for horse related arts and crafts. Hands on activities are the most fun with an instructional ratio of 1:5. The riding program is conducted almost on a 1:1 basis with the instructor and assistants helping the students.
